

# EPIDEMIOLOGY and PREVENTION of VACCINE-PREVENTABLE DISEASES

## *The Pink Book Course*

Presented by the Centers for Disease Control and Prevention at CDC in Atlanta, GA

May 28–30, 2019 | Atlanta, GA

Faculty from the Centers for Disease Control and Prevention's (CDC) National Center for Immunization and Respiratory Diseases will present a live, comprehensive review of immunization principles, as well as vaccine preventable diseases and the recommended vaccines to prevent them. The 2.5-day course will feature the most up-to-date immunization information from the Advisory Committee on Immunization Practices (ACIP).
