At the time you complete the online evaluation, you will be required to provide a verification code.

Watch for this verification code which is provided during the course. You must complete this process before CE expires.

For assistance with the online system, call (800) 41-TRAIN Monday through Friday, 8:00 AM to 4:00 PM Eastern Time or send an e-mail to CE@cdc.gov.

WC2645: EpiVac Pink Book Netconference Series: Varicella and Zoster

PROGRAM DESCRIPTION: This online series of 15 webinars provides an overview of the principles of vaccination, general recommendations, immunization strategies for providers, and specific information about vaccine-preventable diseases and the vaccines that prevent them. Each one-hour webinar explores a chapter from the 13th edition of "Epidemiology and Prevention of Vaccine-Preventable Diseases," also known widely as "The Pink Book."

OBJECTIVES: At the conclusion of the session, the participant will be able to:

Describe the different forms of immunity.

Describe the different types of vaccines.

For each vaccine-preventable disease, identify those for whom routine immunization is recommended.

For each vaccine-preventable disease, describe characteristics of the vaccine used to prevent the disease.

Describe an emerging immunization issue.

Locate resources relevant to current immunization practice.

Implement disease detection and prevention health care services (e.g., smoking cessation, weight reduction, diabetes screening, blood pressure screening, immunization services) to prevent health problems and maintain health.

FACULTY/CREDENTIALS: JoEllen Wolicki, BSN, RN, Nurse Educator, CDC/NCIRD

ORIGINATION DATE: 7/27/2016

EXPIRATION DATE: 8/29/2016 (live) and 6/1/2018 (enduring)

URL: <http://www.cdc.gov/vaccines/ed/webinar-epv/index.html>
